

Manila, Philippines

The **COVID pandemic** delayed the project. However, virtual alternatives were successfully introduced.

57% of the budget was spent. Savings were reallocated to the 2021 budget.

Trends of improvements in integrated governance

6. A framework for joined monitoring and learning

Six elements of integrated governance:

5. Coordinating investment in infrastructure with capacity development

1. Coordination among different departments with local governments

2. Coordination with other government actors

4. Synergies between social, economic, environmental and governance aspects

3. Cooperation with non-governmental stakeholders

Example output products:

Presentation of the first Intra-LGU cooperation on common SWM-planning and leveraging financing.

Presentations of the Promoting Interlocal Cooperation in the Manila Bay Master Plan Webinar to IGCs.

Formal Letter of comment to the Master Plan

Output goals

Constructing infrastructure

Preserving nature of Manila Bay

Outcome (long term)

To be a constructive **Matching Partner of Deltares**, within the Dutch Expert Team
