

Sèmè-Podji, Benin

Due to the **COVID pandemic**, no local or regional exchange visits were organised for the focal team. Many other activities did take place as foreseen.

72% of the budget was spent.

Trends of improvements in integrated governance

6. A framework for joined monitoring and learning

Six elements of integrated governance:

1. Coordination among different departments with local governments

5. Coordinating investment in infrastructure with capacity development

2. Coordination with other government actors

4. Synergies between social, economic, environmental and governance aspects

3. Cooperation with non-governmental stakeholders

Output goals
