GOVERNANCE OF INCLUSIVE GREEN GROWTH IN CITIES

Kumasi, Ghana

The **COVID pandemic** dalyed the project. In the second half of the year it was possible to fully catch up and get back on track.

The budget for travel of experts and VNG International staff has been **reallocated** to allow for more expert days and activity costs.

Trends of improvements in integrated governance

6. A framework for joined **monitoring and learning**

Six elements of **integrated governance:**

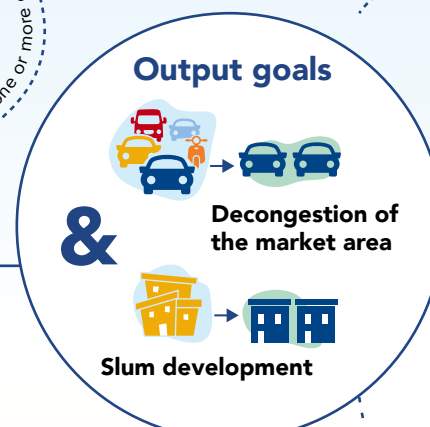

1. Coordination among different departments with **local governments**

2. Coordination with **other government actors**

3. Cooperation with **non-governmental stakeholders**

4. **Synergies** between social, economic, environmental and governance aspects

5. Coordinating investment in **infrastructure** with capacity development
